BOOK SYNOPSIS

Created through a "student-tested, faculty-approved" review process with over 2,000 students and faculty, BUSN 6e is an engaging and accessible solution to accommodate the diverse lifestyles of today's learners at a value-based price. BUSN delivers all the topics found in lengthy Introduction to Business texts, but provides this content in a streamlined, riveting, less cluttered design that captivates students and saves you valuable time with powerful, integrated resources. CengageNOW is now being offered with BUSN 6e. Written by experienced business instructors in touch with the needs of today's instructors and students, this edition provides a more student-focused, less linear proven learning model. BUSN 6e's lively engaging approach immediately draws students into business fundamentals with a compelling design that addresses all core Introduction to Business topics in only seventeen succinct chapters, including a unique chapter on Business Communication. Your students stay on top of the timeliest developments with the book's well-balanced presentation and wealth of supplements, including CourseMate, an interactive teaching and learning solution. All supplements are tightly integrated with the sixth edition of BUSN to ensure your students master critical communication skills and chapter concepts. Keep all of your students motivated and excited about business today, no matter what their major, with the powerful, unique approach and resources found in BUSN 6.
